E. Boineau & Company team members are hands-on, quick studies who work to deliver above expectation and on or before deadline for every one of their valued clients. The team is known for offering insightful, knowledgeable counsel and direction to a select client base.

The firm develops the tools (materials, knowledge, insight and contacts) to help *earn* (editorial) media coverage, reinforce with *owned* (web and social media) and *paid* (advertising) as budget permits and as may serve to amplify the brand message. To start, we help develop or refine the brand identity of your organization, define and detail the core message and “set apart” and get that information out in front of key media and referral sources to tell your story. That approach earns the organization higher profile and awareness, in addition to greater credibility, ever essential in today’s competitive marketplace.

The firm currently serves as agency of record for leading non-profit and private entities. For more information, visit www.eboineauandco.com or call 843-224-1106.
